## PERUNA in Your Home

A housewife must give the first aid in colds, coughs and other ailments. Her promptness in applying the remedy often saves a serious illness. Her experience with remedies has led her to know that PERUNA is always reliable, that she should have it on hand for the immediate treatment of coughs and colds, and that it is always to her.

Mrs. George Parker, 419 Water St., Menasha, Wis., writes: "We have used Peruna in our family for a number of years, and have found it a perfectly reliable medicine. It soon rids the system of any traces of a cold, and prevents serious consequences. I began using it for catarrh, which I suffered with a good many years, but had not been very serious until recently. Since I have taken Peruna the dropping in my throat has discontinued, and my head and nose are not so stopped up in the morning. I am pleased with the results, and shall continue to use it until I am entirely rid of catarrh. I heartily recommend it as an honest medicine. What it does for her it is ready to do for you."

## The Family Safeguard

The experience of one woman, given herewith, is typical of thousands of letters that reach the Peruna Company from grateful friends who have found their homes incomplete, and their family safety in danger without PERUNA.

## Colds and Catarrh

The great weight of testimony that has accumulated in the 44 years that PERUNA has been on the market proves it, beyond question, to be the reliable family remedy, ever ready to take, preventing the serious effects of colds, coughs, grip and derangements of the digestive organs. This proof is published from time to time and many families have profited by it.

Remember you can obtain PERUNA in tablet form for your convenience. Carry it with you and be fortified against sudden attacks.

The Peruna Company, Columbus, Ohio

I am sending \$5 to renew my paper again. I have been taking the Adair County News for the past eight years now, and I like to hear from the old friends and of what they are doing.

We are having some very cold weather. It was 15 below zero here. We haven't had any snow this winter—just a few flakes once in a while.

Corn is very high here. It sells on the street for \$1 a bushel, and wheat is \$1.79 a bushel. A 50 pound sack of flour costs \$2.95.

I came from Adair county seventeen years ago. I live on a farm of 160 acres in good settlement.

I will close, hoping to see this in print.

Thomas A. Taylor.

### Danger Signal.

If the fire bell should ring would you run and stop it or go and help to put out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell. You should not more try to suppress it than to stop a fire bell when it is ringing, but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or an attack of the grip. Mrs. Thomas Beeching, Andrews, Ind., writes: "During the winter my husband takes cold easily and coughs and coughs. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other." Obtainable at Paull Drug Co. Adv

Clean up this condition at once with Dr. King's New Life Pills, a mild laxative that relieves the congested intestines without griping. says Mrs. Sylvania Woods, of Clifton Mills, Ky., in writing of her experience with Cardui, the woman's tonic. She says further: "Before I began to use Cardui, my back and head would hurt so bad, I thought the pain would kill me. I was hardly able to do any of my housework. After taking three bottles of Cardui, I began to feel like a new woman. I soon gained 35 pounds, and now, I do all my housework, as well as run a big water mill. I wish every suffering woman would give
